Sir,

We the ryots surrounding Daroji village of Hospet Taluk and others beg to bring the following for favour of your kind consideration and favourable orders.

Daroji Tallam Honnappa & son Merchant, Bellary, who formerly a native of Daroji village (Hospet Taluk) had left the village some 20 years back. At the time of leaving the village, his properties were worth about 30 or 40 thousands including lands. But now his property is worth about more than I0 to I2 lakhs. It is very surprise to see that his properties are increased so much in I5 to 20 ~~properties~~ years.

He has acquired so many lands of the poor ryots and of his relatives by giving loans on high rate of interest and adding interest year by year to the principal and after some years demanding his loan amount when they were not able to repay the amount and pressing them to repay or to sell his lands and other properties to him. All of them without any help, they have bowed and sold their properties to him at a low rate and thus they have all lost their lands and properties. Now these people have no lands nor houses or any other properties. Thus his property has rached its Zenith. We think that he has got an income of about 30 to 40 thousands every year. We do not know what he is showing about his yearly income to the Income Tax Officers and how much Tax he is paying to the Government. In this connection he has fined Rs 300/- as an Income Tax Traitor in the year I934-35. He was also a K.D as included in the K.D list by the Kampli Police in the year I9I4-I5.

In the Dt Court of Bellary a decree has been passed against one capitalist restoring the properties of the poor ryots, unlawfully acquired by him recently.

It is necessary that you should enquire this matter from the ryots sorrounding Daroji village and also his relatives.

Under the circumstances stated above we most respectfully and humbly request you that the CONGRESS Government will help us to restore the lands unlawfully taken by a Capitalist. And request also that necessary enquries may be made by deputing C.I.D.Police and thus he may be punished according to law.

Thanking you Sir.

Yours faithful Subjects
